2015-2016 Impact Report

Dear Friends and Contributors,

This past year was one of growth and promise, thanks to you!

Over forty years ago, YES began as a grassroots effort to shelter a few dozen youth. Today we are proud to be a nationally recognized, multi-service agency serving more than 2,000 youth in our community.

Accomplishments from 2015-2016 include:

- The Street Outreach Center was remodeled and expanded to almost double the square footage with a welcoming environment with confidential offices for a nurse, therapist, and staff; a conference room; a new kitchen; ADA-compliant bathrooms; additional laundry facilities; and a large multi-purpose area.
- The Street Outreach Center directly served more than 180 youth per week. An average of 800 hot meals were served every month, 100% donated by volunteers.
- The Emergency Shelter, Transitional Living, and Maternity Home helped an average of 88% of youth find stable housing.

The statistics are impressive, but the lives we change are even more so:

- **the young mother with twins born while at the Maternity Home now raising her sons in her own apartment;**
- **the couch-surfing, unemployed teen now in a safe home with a car, a job and plans to attend Metro Community College;**
- **the YES intern gaining valuable job experience while going to school.**

Again, we thank you for over 40 years of support and for helping us turn setbacks into lessons and dreams into reality for Omaha area youth!

Board President

P.S. We are proud to serve all area youth - regardless of race, religion, sexual orientation, school district, or ethnicity - and to provide an environment that is free from hatred, violence, abuse, neglect, exploitation and fear. Our youth need this now more than ever.

"I just needed someone to
give me a chance..."

WE PROVIDE

IMMEDIATE HELP

Every weekday youth can get their basic needs of food, shelter and safety met at the Street Outreach Center, with a hot meal, a shower, laundry facilities, a food pantry, clothing closet, computer access and transportation – in a welcoming, inclusive environment.

EXPERTISE

YES is nationally recognized as one of eleven agencies in the U.S. selected for national studies on street outreach programs and transitional living programs. YES provides the basic building blocks for effective work with homeless youth as put forth by the National Network for Youth.

GUIDANCE AND TREATMENT

At the Street Outreach Center, youth can receive medical assistance from a nurse and personal sessions with a mental health professional. Support groups meet weekly for LGBTQ youth and young women. A new Job Readiness initiative offers pre-employment training and job opportunities with local businesses. An expanding mentorship program brings a trusted adult presence to our youth.

HOUSING

Our Emergency Shelter is the only shelter for runaway and homeless youth under the age of 21 in the Omaha metro area. Youth can stay for up to three weeks, and get support from staff to get their lives back on track. Longer-term housing is available through our Transitional Living Program and the Maternity Home. Youth can stay up to 18 months and must be in school or working, or both. Case managers give individualized support.

WE SERVE

OUR MISSION: To serve homeless and at-risk youth by providing critically-needed resources which empower them to become self-sufficient.

WE ADAPT

Street Outreach Center Expansion

By early 2016 our ability to meet the needs of increasing numbers of youth was hampered in the limited space of the Street Outreach Center. We responded with a major renovation and expansion.

Mustaches for Kids chose Youth Emergency Services as their charity partner in 2016. M4K raised more than \$285,000 for the renovation and expansion of the Street Outreach Center.

Thank you M4K!

YES hosted a ribbon cutting ceremony presented by the Omaha Chamber of Commerce on October 18. Many volunteers, government officials, and supporters attended.
